

We offer sessions in our therapy rooms and offsite at your home, school, and day-care!

OCCUPATIONAL THERAPY *for kids!!!*

Our experienced occupational therapists work with kids two to seventeen years of age who are having difficulties or delay's with skills at home, school or play. Kids Club provide family centred, evidence based therapy that is **FUN** for kids!

We help kids improve these skills...

sensory regulation

attention and concentration

emotional regulation

self-care and self-organisation

positive behaviour

gross motor and coordination

handwriting

social and play skills

fine motor skills

confidence and self-esteem
